

Eva cut a slice out of her finger
last night and carried it to some
Gout plaster. Went to Church.
Sermon Prov. XXVIII, 26 verse.
Papa drove down Lake St.
to the little cottage below
railway and got at house
they gave him. Its name is
Dwyer. Went to Sunday School
had review. Mamma and
I were at church at night.
Sermon Job. II. 2nd. Came home
with Dwyer.

Had to get up early this
morning as papa and
mamma are going
to Buffalo by 9 o'clock
car. Did sing Hymn.
They got home about
8 o'clock. Mamma looked
for some pictures of musicians
but did not get one. She
bought me some pretty
blue ribbon a white sock
tie and a linen handkerchief
and some candy. They saw
Dick and had to wait on
Yankee side for a car. So they
took in the museum.
