

Was at school in the morning Sat with Leta. Papa came home from Hamilton last night. Practiced in afternoon. Maamma made a very pretty cushion for parlor. Tapestry front and brown back. Papa brought us some candy at night. He bought three tickets for the Lehigh Valley Concert Co. that is to be here on Tuesday. Mr Read & Mr Macgregor are bringing them here. Wrote a letter to Aunt Allie.

Took my music lesson. Took the 7th Etude (as I did not practice it for this week as I had too many reviews) and Mendelssohn's "Schilling's Lied". It was raining when I went, and has been raining all day. Mrs. Hurty came to iron & through all the wet. Maamma is making another cushion. It is of peacock blue satin covered with Battenburg. For my Harmony I had to work out four exercises in Open instead of Close Position.
