

This morning I went uptown
after my pigs and to
change my library book.
Got "Loafing the Monk."
Very nice. I am
wrestling with the
afternoon. Mr. Laren's and
Anderson's had their Christmas
things in. The Collegiate Cadets
have a concert to night. His
Murray is to sing, Miss McCallum
recites and the flag is to be
presented to the Cadets.

SATURDAY 24

(328-37)

Took my music lesson.
Mr. Read was not there. He
stays at the college night.
I have to learn "The Star"
the part in Soprano & Bass.
Eva brought the two little
Daley girls in this morning.
Leta came over in the
afternoon, and I went uptown
and home with her. The
Bo garden was there. Mrs.
Kepl egg and Miss Kottner
were down in the
afternoon.
