

Looks like rain and very gloomy. I went calling. Took Beatrice the musical programme Percy sent for a skeleton calford and he got it. Went to see Miss Crawford. They were going out for tea so I did not stay long. Mamma went collecting. When I got home Elk was there. Mamma came home, changed her skirt, and went to school.

WEDNESDAY 18

(108-257)

Very warm like summer. Went up to Fats in morning before 9 o'clock to change a pair of corsets. Papa and Mr Marguis went to Chord. Mamma went to see Mr Ross, Mrs Trusty and then to the church. It started to rain hard in afternoon and after it stopped I went to Mrs Sullivan's. She will be ready on Monday. Enough to make anyone swear. Saw Helen. Went to Papas as it started to pour. Got a wallfurger they had rosted in water.
