

Very rainy and gloomy.
Cleaned Papa's room
and the hall. Mamma
had to go uptown in
the rain. Mrs Sullivan wanted
me instead of Mamma. A
Mr Lee killed himself
this morning. He lived of
Court & Centre Sts. There is a
lecture in the church on
Japan. Could not go for the rain.
Fanny caught a large
rat.

I went up to Smith's for
meat then to Mrs Sullivan's.
She had the flour cut out.
Got a book out of library
My Musical Experiences
by J. Walker. Enjoyed
it. Wrote a letter to Aunt
Alice. Mamma went to the
church as it is an annual
meeting of Ladies Aid. They
have made about \$225 this
year. Not bad. Eva & I
came in with very pretty
false faces on. Then after
Jesse Jones & the two came
again. Eva had some taffy.
