

Cleaned my bicycle and papa's. The spokes were all rusty. Practiced all afternoon. Then when Papa came home at night he asked mamma & I whether we would like to go & hear Dr. Barrie who has just returned from South Africa. So we went. The meeting was held in the First Presbyterian Church. Christened my new hat.

Conception Day (Quebec)

SATURDAY 8

(342-23)

Took my lesson this morning. Have "Papillon" by Lavallee for next day. He told me my rhythm was much better than it used to be. Got Belle to play for me next Wednesday night. She has a dear little kitten. We have two ducks, sparrows & sausage. I think we will have enough to eat. Mamma & I were uptown in afternoon. I bought a rubber doll & a horse for the Dorsey children. Collier's Weekly is illustrated very nicely with colored pictures this week.
