

Did not do much all day. In the morning it was snowing hard, then about Sunday School time and night the same old thing so I staid at home all day which I did not like. Dressed Bessy by tying meat on a string. Read some in "Ben-Hur" as I have forgotten it, read some in a "Trip through Europe" and a "Case of Identity" by A. Conan Doyle.

MONDAY 5

(36-329)

Went to school in the morning. They got back their German examination papers so we did not have much of a lesson. Stopped in Mrs. Ray's on my way home. They had just received a picture of Mrs. & Mr. Ray of South Africa in their carriage and a Christmas card. Mamma & Mrs. Ray called on Mrs. Dudley, Mrs. J. Motman, and Mrs. G. Armstrong. Papa and mamma went to Ray's at night. Lizzie came down. Came about 2 min. after they left.
