

Mamma went up to the church to help quilt.

When at night I got ready and was to meet Beatrice at Papp's. Ida Ross was with them. A little bitter fallowed us in the church. Mrs Perry took it home. Holey Phelps & Nora W. Peck and played Mabel Greenwood sang. The debate was "State Support in higher education is not beneficial to Canada". The affirmative were Mr Prior, Fern Heagy & the negative Mr Richards & Roy Grob. The negative won.

THURSDAY 6

(340-25)

Eva is sick and came over this morning. I was ready to go uptown. Eva came over and went with me. She bought a rose for me at Mrs Whittings and the old thing broke off about ten minutes after. Was to Miss Anders on the try on my hat. It looks swell. Eva bought her mother a calendar then went to the church to practice. I called in to Chapman's to see if Genevra would sing next Wednesday night as I have charge of the programme then called at Ellie's & she was out so I was disappointed all around.
