WEDNESDAY 19

(262-103)

I guess Eva is away as we  
 have not seen her since  
 Sunday. Mamma and I  
 drove out Monticudale  
 way to the lake after  
 supper. The apples cover  
 the ground in some places  
 and peach trees broken from  
 the high wind we had  
 last week. Mr Penn  
 called and we were out  
 as usual. Papa has been  
 talking about me going to  
 Pennell. He had to go up town  
 to meet Mr Mangus and Sidney  
 Bunting.
