

Got our new set of dishes  
from M<sup>rs</sup> Larey's so mamma  
had a washing time  
all morning Mrs Frost is  
here. Mamma went uptown  
by herself this afternoon.  
I went over to Cor's to see  
if M<sup>rs</sup> Attie would sign my  
Wednesday they live to  
allies. I got her to play all  
right. She is going to get a  
new fur coat from everybody.

THURSDAY 20

(354-11)

Yesterday morning I fixed a  
picture of Pharaoh's horses on  
a piece of gray mat I had  
left. We are making fruit  
cake. Eva came in early  
this morning with her  
eyes as large as saucers &  
said "I have bad news"  
The next door neighbors  
have diphtheria. Dr Q. Flynn  
and Sidney were here  
for tea. They played  
King Pedro after.
