

Very warm. Mamma cleaned  
their bedroom. We went  
for a drive in the  
afternoon. Drove up to Mrs  
Sullivan's. She measured me  
for my green skirt. It is to  
be 41 inches in front & 42 in back.  
Went to office after paper  
and some certificates of  
papers. He went to Hall  
at 7 o'clock trolley to get  
his license. Gave 25¢  
pay.

TUESDAY 23

(296-69)

Eva came over in the morning.  
Her uncle is very sick.  
Did my harmonium. Eva brought  
her cousin over. Mamma  
had to go to the office  
to have her teeth  
fixed. Papa got the October  
Wide World Magazine.  
Eva was here for tea and  
is going to stay here all  
night if her cousin is going  
to stay at Cammar's.
