

Thanksgiving. Did not go
to church. Had a nice
young turkey for dinner.
Mamma and I were for
a drive in afternoon.
We called at Mr Ross to
have him clean windows.
Mamma went to Mrs
Sullivan's. We drove out
Geneva Street and came
home Lake Street.

Cooler to-day. Papa ate
some herring last night
and does not feel well
to-day. Mamma went
up to town right after
dinner and I washed
dishes. She came home
and went to Mrs Sullivan
again. Will Marquis was
here to see Papa. Mamma &
I went to Dapt at night. Today
is having all the church in as
she has sold their house. The
two Misses Taylor were there.
Mrs McChicwon ladies prize
and Mr Droyer's gentlemen.
Had distribution of prizes at Collegiate.
