

Very warm. It has been the worst day this year all foreigners are supposed to have been killed in Pekin. I am knitting a wash cloth. Did not stir much. We are to have a memorial service in our church Sunday for B. Irwin who died in South Africa July 1. He was of the first contingent. Mrs. Cannon & Ella were over to see the rambler.

SATURDAY 7

(188-177)

Went to market, after peas, and to Eckhardt's after my music. Got Sodaide's 'False Chromatique', but not the other was at Wilson's. Had a large excursion in the Park for Toronto. The Dominion Radiator Co. They had a baseball match between Park mine & themselves. Had the Grenadier Band. Papa & mamma went frog shooting. The Buffalo Terminus Club played a match with ours this afternoon.
