

Jan'y. Thursday 10th 1901
Very horrible day raining.
Did not go to the Dr. as it
was so damp. Couldnt go to
church. I am so sorry the
weather has been so
bad. Got the pictures from
Dionis to - night. There are
some very pretty ones.
Papa and I played
euchre to heat. Expect the
soldiers home to - morrow.
So odjeska was at the Opera
House to - night.

Friday 11th.

Woke up with a very bad
cold in my head. Mrs. Marquis
came to ask me if I
would play next night.
Jan 22nd. Hence night I send
my pieces in. She is sick
with a cold so I had my work
for nothing. It said in the
paper there were about 300
children at the church yesterday.
Papa & I played euchre again
& I won this time.
