

Eva was in this morning. Papa  
put the deer tails on her  
kaps. Lent her two books "The  
Wide world" & "Helma". Did  
not go out all day,  
as they were afraid I  
would catch exposure.  
Snowy out. Read "John  
Mangaduke" by Samuel  
Harden Church. Finished. Lefrom  
the Monk. Made tent paper  
the other book. It is a  
library book.

MONDAY 26

(330-35)

Very stormy to-day. It  
commenced with rain and  
then snow very heavy.  
We got the Ladies Home  
Journal for December & Cyclists  
Weekly to-day. Sir Arthur  
Sullivan died last week.  
Have not much to say  
as the weather is so  
bad.
