FRIDAY 29

(180-185)

Beatrice came after me this  
 morning to go with her to  
 St. Paul's St. Church to practice  
 as she did not like to  
 go alone. She is going to  
 supply for Mrs. Vanderburgh.  
 Went to M. G. Laren's after and  
 then she treated me in jeans to  
 an ice cream soda. Practiced in  
 afternoon. Then went up  
 to M. G. Laren's after 2 puffies  
 for a quarter. Lizzie was  
 down to see & look at  
 night.
