

January Monday 21<sup>st</sup> 1901.  
The Queen is not expected  
to live. Maunna had to go  
to Mrs Sullivan's. She changed  
my library book. Got Ursula  
Durian by Agnes Swan. Read it  
to night. Beatrice came over  
in the afternoon to see me.  
Mr Murphy is here until  
Wednesday.

Tuesday 22<sup>nd</sup>

A very fine day. The Queen  
died this morning at 6.30 and  
the Prince is now King Edward  
VII. Eva was in. I went up  
to Miss Boyle's to try my  
waist on after so long a  
time. Maunna went to the  
church to the service then  
uptown to buy me all  
apron. Mrs Fisher was  
down & Maunna was away  
as usual. Wednesday 23<sup>rd</sup>

Papa brought a man home with  
him at noon. He is going to get  
a hot air pipe in the back room.  
I went to church this  
afternoon. Mr Murphy spoke on  
how to read the Bible.
