

Took my music lesson.  
Had 1<sup>st</sup> piece Bolero Op 26, J. Adams for lesson. Mr. Read said that it and Dalse Op 1 by Brangell would be good ones for musical.  
Mrs. Overholt was in for a few minutes on her way home. Papa drove to grandpas to night. Took Dexter. Eva brought me two pieces of music she got at the fair.

Went to church in the morning. Sermon Psalm 51. Staid to Communion. Eva came over and said she was going to our Sunday School so she went to Jones and she & Jessic came after me. We had a special offering for the expenses of Sunday School. We got \$13.27. Pretty good for kids. Poured as we were ready to come home. Received Lloyd Bent on her heptonette. Met grandma coming after me. St. Georges re-opened to day. St. Patricks had a Harvest Home service.
