Presumptions with the "Half Hour" Four by A. Conger Doyle and one by R. Robert Louis Stevenson. It rained very hard at night.

TUESDAY 16

(16-349)

Went to school in afternoon. Papa went to Hamilton to night to the Hamilton Gun Club shoot. Called in Dwyer's in afternoon to see if she would go with mamma & I to K. Troop Church to night. Mamma & I called for her at night. They had an entertainment called "Jerusha Davis's Family Album". It was fine. Mrs. Mc Cleve was the grandmother and explained each picture. Mrs. McGhie came home with us. Lost my little black pin for my skirt.
