

My room was cleaned this morning. I had to go to Mrs. Sullivan and she paid for my skirt this week. Rhoebe is having a skirt made at Miss Boyce's. We went for a drive. Intended going around Grange Hall way but it looked like rain so we came through Port. Papa went to the cafes with Mr. Marquis to night.

SATURDAY 27

Mrs. Trusty came to iron. Took my lesson. Took "Rassapied" and am to start "Pumpkin Jephys" by Jensen. Papa got two nice baskets of apples of an old man. Eva was over to show us some silver hearts she got. Went uptown met Eddy and went with her to Clump Store. She lent me a "Oregon Conclusion" by W. D. Howells. Mamma came over as I was there to get her book but Mrs. Bigger did not come. We went over on racecourse to see how the railway was progressing.
