

Mamma had to go down to the fair at 1 o'clock. Cal called for her. So I had to clear the dinner & c. Then after I got through I rode uptown to Luskaters as I ordered some cotton on Tuesday and it has not come yet. Miss Myer and her mother called. Mamma said the fair is no good. Got four tickets.

FRIDAY 5

(278-87)

I thought I would rather go to Decu & all hunting muskrats than go to the fair so mamma & I went. We got quite a few. It was fun. Coming home we saw some of the prize cattle & horses. Coming from the fair I saw some red pigs. Eva came over to show me her cards but I was not home. Pupa had to go to lodge for a supper and great things they are to have to fight.
