

Took my music lesson. Had to go to Eckhardt's after a piece "Pigrette" by Chamade Op 41. About twelve o'clock two women called with a book they were trying to sell, and were more bother than their worth. Mamma & I went uptown. I took Mr Henderson's umbrella home. I bought three sponge taffy squares as I had 3 coppers. Mr Overholt came here. Papa went up to meet him and they did not get back until 2 o'clock.

SUNDAY 28

(28-337)

Papa & Mr Overholt saw Charlie Gould. Did not go to church as it was after time when we got up from breakfast. About 12 o'clock Charlie & Mr Dean a friend of his came down. When they went to catch 2.45 train Mr Overholt went with them. Went to Sunday School. The lesson was the "Temptation of Jesus". Did not go at night as Mamma said she would go to sleep as she was up so late last night.
